

The Zoning Board of Appeals is a quasi-judicial body that considers requests for relief from zoning rules that may be too stringent under certain circumstances. Its main action is to consider requests for variances and special use permits as provided for in the ordinances.

The Zoning Board of Appeals is made up of five regular members and two alternate members. A representative from the Township Board and the Planning Commission are appointed as members of the Zoning Board of Appeals.

Terms are three years. The Township will provide all necessary training.

The Zoning Board meets on the third Tuesday of every month at 6:00 pm if an application has been submitted.
