ELECTRONIC CHANGEABLE COPY SIGN FOR NON-RESIDENTIAL PRINCIPAL USES	
Number	One per lot or parcel, integrated within a permitted wall or ground sign
Size	Maximum size no greater than 50 percent of the area of the sign on which it is integrated and shall be counted as part of the total permitted sign area of that sign
Location	Shall only be integrated into a permitted ground or wall sign. However, no electronic changeable copy sign shall be located within 100 feet of a Residential District on the same side of the street

Other	<p>a. Message changes, except for time and temperature, may occur no more frequently than once during any 24 hour period. The method of change between messages shall be instantaneous. Roll, splice, unveil, venetian, zoom, fade, exploding, scroll and other methods of transition between messages shall not be permitted.</p> <p>b. The electronic display background color tones, lettering, logos, pictures, illustrations, symbols, and any other electronic graphic or video display shall not blink, flash, rotate, scroll, change in illumination intensity (except as specifically required for changes in outdoor light levels), or otherwise change in outward appearance, except when the message or display is changed to another message or display. In no case shall white be used as the background color on any part of the electronic display portion of the sign.</p> <p>c. To reduce the potential negative effects of light and glare on nearby residential properties, the background of the electronic display portion of any sign located within two hundred (200) feet of a dwelling unit shall be a dark color and all lettering, graphics and symbols shall be a muted color approved as part of the sign permit. White shall not be permitted.</p> <p>d. All electronic changeable copy signs must be equipped with a default mechanism that will stop the messaging or freeze the image in one position when a malfunction in electronic programming occurs.</p> <p>e. Any form of pyrotechnics is prohibited in association with an electronic changeable message sign.</p> <p>f. The electronic changeable copy sign must have an automatic dimmer control to produce a distinct illumination change from a higher illumination level to a lower level in relation to changes in the outdoor light levels.</p> <p>g. The electronic changeable copy sign shall not be illuminated between the hours of 11:00 PM and 6:00 AM or during the regular business hours of the establishment, whichever is greater.</p>
-------	--

I am aware of the criteria for electronic changeable copy signs in the Business and Industrial Districts (Zoning Ordinance 2014-2Z). I attest that the proposed sign will meet the requirements of the Ordinance in all respects.
